

# Rural Red Deer Restorative Justice Restorative School Culture Program

## Proactive ~ Relationship Centred ~ Whole-School Support

### What It Is:

A trauma-informed, relationship-focused approach that helps schools reduce conflict and discipline referrals by building connection, empathy and accountability through restorative practices

### What Your School or Classroom Receives:

- Weekly in-school facilitator support
  - Staff PD and coaching
  - Circle facilitation for students, staff and families
  - Restorative conferencing for harm repair
  - Custom school action plan & tracking
- Materials & community connection tools

### Why It Works:

Reduced suspensions & behaviour incidents  
Stronger student-teacher relationships  
More student voice & peer accountability  
Greater community & parent engagement
